

IZU - lullaby for Sofi and Romain

Structure: sung and strummed 'simply', gently, slowly once round; a wind instrument plays the solo on the repeat, accompanied by more vigour.
 when near a piano: remove the front. depress the sustain pedal. rest the guitar so it touches the piano's body.
 play all chords abruptly; almost staccato.
 additional: solo may use various techniques to get sympathetic resonance from the piano.
 all instruments may be run simultaneously through a harsh compression via microphone.
